

The Horse is an official Media Partner of the World Equine Veterinary Association (WEVA), a continuing education organization and not-for-profit charity.

Look for future WEVA communications in this location.

**More than 60 speakers
from around the
world will lecture on
all aspects of equine
veterinary medicine.**

WEVA Congress Featured Speakers

The 2011 WEVA Congress will be held November 2-5, 2011, in Hyderabad, India, and will contain four exciting days of scientific sessions for veterinarians. Each day will feature four tiers and abstract sessions. Also featured at the Congress is a two-day layperson's program, a two-day Small Animal session, and a Fédération Equestre Internationale (FEI) session for FEI veterinarians.

The full program can be viewed at www.weva2011India.com

More than 60 speakers from around the world will cover all aspects of equine veterinary medicine and surgery. A few highlights include:

- J.M. Denoix, DVM, PhD, of the Centre d'Imagerie et de Recherche sur les Affections Locomotrices Equines in France, will present several talks on ultrasounds, plus an encore of his acclaimed "live horse" ultrasound demonstration from the 2009 WEVA Congress in Brazil;
- Dennis Brooks, DVM, PhD, Dipl. ACVO, of the University of Florida, will give an encore of his American Association of Equine Practitioners State of the Art Lecture on ophthalmology;
- Sue Dyson, MA, VetMB, PhD, DEO, FRCVS, of the Animal Health Trust in England, will present her well-received lameness videos;
- Derek Knottenbelt, OBE, BVM&S, Dipl. ECEIM, MRCVS, of the University of Liverpool, will present on equine welfare, dermatology, and the hoof;
- David Frisbie, DVM, PhD, Dipl. ACVS, of the Colorado State University Orthopedic Lab, will head multiple talks on joint medications and the newest regenerative medicine therapies;
- Harold Schott II, DVM, PhD, Dipl. ACVIM, of Michigan State University, will discuss several topics including metabolic and urinary diseases; and
- Dickson Varner, DVM, PhD, Dipl. ACT, of Texas A&M University, and Sandro Barbacini, DVM, of Select Breeders Services in Italy, among other specialists will present lectures focused on reproduction.—Gary Norwood, DVM, Senior WEVA Vice President
