WEVA Online 2021

8th-11th November 2021

An international online conference over 4 time zones
Promoting animal welfare around the world

- ❖ **WEVA are delighted to announce the first truly International conference offered over 4 world time zones with a broad reaching theme to promote animal health and welfare.**
- ❖ The conference will occur LIVE in that afternoon of the time zone nominated for that day, with live Discussion at the end with the panel of speakers. The presentations will be available online for catch-up sessions or for more convenient viewing in the time zone of any registered attendee.
- ❖ The conference will be bilingual with the presentations available in English or Spanish with simultaneous translation and subtitled with Mandarin.
- ❖ In addition, a virtual poster gallery of submitted clinical and scientific abstracts will be available online for viewing at the time of any delegates choosing.
- ❖ WEVA is truly grateful to the international faculty of experts from all corners of the globe who have volunteered to represent their region on a wide range of veterinary topics and to our generous sponsors.
- ❖ Any proceeds from the conference will be contributing to the next live WEVA conference in association with ACHVE in Santiago, Chile in 2023. WEVA is a non-profit charity registered in the USA.
